Representatives

Would you like to invest your energy and time in a way
that will bless multiple generations of families?

What if you were the one responsible for a family attending this event? This family had never opened the Word of God together as a family. After this event, they began. And a tradition of Scripture reading was established in their home that continued for many generations. Light and truth and hope and wisdom, from God's Word, was brought into this once dark and hopeless home. Through your Spirit-led efforts, generations of families will be transformed by the power of God's Word, for eternity.

CTG Representative responsibilities:

1. PRAY that God will give you discernment and direction of who to invite to this event.
2. Put a poster or two up in your church, local Christian bookstore, or anywhere God's Spirit leads you.
3. Insert event fliers into church bulletins/ newsletters (Ideally, 4-6 weeks before the event).
4. Personally attend and commit to registering 3 other families.
5. Let the people in your sphere of influence know about the event via emails, snail mail, and conversations.

PRAY:

- Those organizing the event: wisdom in planning and implementing.
- God's provision for the expenses of this free event.
- Many people to attend.
- Those speaking and singing: clarity, humility, and wisdom from above.
- Good weather and the most glorious Fall colors ever!
- Every family would leave encouraged and inspired to read God's Word every day of their lives!
